Welding Solutions

Flextur Industrial Welding Table Solutions

The only Workstation/Welding Table to feature Gridlok Innovation. Flextur Weld Tables increase efficiency, productivity, and accuracy. They have proven to reduce material waste, man-hours, employee fatigue, and lead times. All while improving ergonomics and employee morale.

Mobile Tables

**48" x 48" Welding Table
& 57 Piece Fixture Kit**
48"L x 48"W x 35"H. 4,000lbs Capacity
MSRP **$6,495** 71500005

48" x 48" Welding Table Only
MSRP **$4,650** 78909515

57 Piece Kit Only
MSRP **$1,935** 78908270

**48" x 96" Welding Table
& 95 Piece Fixture Kit**
48"L x 96"W x 35"H. 4,000lbs Capacity
MSRP **$12,450** 71500006

48" x 96" Welding Table Only
MSRP **$7,900** 78909525

95 Piece Kit Only
MSRP **$4,995** 78908280

**Mobile Welding Table &
42 Piece Fixture & Accessory Kit**
30"D x 48"W x 35"H. 1,750lbs Capacity
MSRP **$3,770** 71500009

Mobile Welding Table Cart Only
MSRP **$2,935** 78909100

**42 Piece Fixture & Tool Board
Accessory Kit Only**
MSRP **$948** 78908250

Stationary Tables

**36" x 30" Stationary Welding Table
& 27 Piece Fixture Kit**
36"L x 30"W x 35"H. 2,000lbs Capacity
MSRP **$2,450** 71500003

36" x 30" Stationary Welding Table Only
MSRP **$1,700** 78909250

27 Piece Kit Only
MSRP **$820** 78908260

**36" x 72" Stationary Welding Table
& 27 Piece Fixture Kit**
36"L x 72"W x 35"H. 2,000lbs Capacity
MSRP **$3,950** 71500004

**36" x 72" Stationary Welding Table Only**
MSRP **$3,250** 78909265

27 Piece Kit Only
MSRP **$820** 78908260

48" x 48" Stationary Welding Table
48"L x 48"W x 35"H. 6,000lbs Capacity
MSRP **$4,150** 78909510

48" x 96" Stationary Welding Table
48"L x 96"W x 35"H. 6,000lbs Capacity
MSRP **$7,200** 78909530

Table Top Only

48" x 48" x 6" 5-Sided Table Top Only
MSRP **$3,150** 78909500

48" x 96" x 6" 5-Sided Table Top Only
MSRP **$5,900** 78909520
Complete Welding Stations

48" x 48" x 6" Welding Table with 57 Piece Fixturing Kit, 2-Panel Mobile Tool Board & 41 Piece Accessory Kit
MSRP **$7,950** 71500007

48" x 96" x 6" Welding Table with 95 Piece Fixturing Kit, 2-Panel Mobile Tool Board & 41 Piece Accessory Kit
MSRP **$13,950** 71500008

## *New* Welding Curtain

Welding Curtain
40"W x23"H Designed for Weld Table Surface
MSRP **$140** 71500118

This curtain is designed for Pin & Clamp Tables with a 5/8" peg that drops into a weld tabletop. This curtain can then pivot or swing in and out of the way. It is also extremely easy to relocate by simply moving to a new hole or pin location.
• Lightweight, easy to position
• Works on any 5/8" hole welding table
• Patent Pending

Weld Table Accessories

Cobot Welding Systems

Create an extremely Accurate, Repeatable, Safe, Efficient Highly Productive, and Easy to Use Cobot Welding Cell.

The patent pending pneumatic clamping system accurately aligns and holds Fixture Plates in position every time.

DO NOT OPERATE without guards or fixture plates over clamps.

Quick-Change Fixture Plates ensure that your parts are positioned and clamped in the exact spot every time, (+/-.01") allowing you to create highly accurate, repeatable, automated workflows. Available in 72" x 36" and 36" x 36" sizes.

Gridlok
INNOVATION
The industry's strongest metal toolboard for integrated tool storage. (page 8)

Two hand push button operation of pneumatic clamping system for operator safety.

Integrate your new or under utilized Cobots into Flextur's Welding System

to create an extremely accurate, efficient, safe, and highly productive, and easy to use welding cell. Using our patent pending Quick-Change Fixture Table and Quick-Change Fixture Plates to ensure that your parts are positioned and clamped in the exact spot every time, (+/-.01") allowing you to create highly accurate, repeatable, automated workflows.

Switch to a different part in minutes.

Release the pneumatic quick-detach welding Fixture Plate and return it to the Quick-Change Fixture Plate storage solution (page 4) that fits your needs. Choose the next Quick-Change Fixture Plate and safely clamp it into position with the touch of a button. Select your new program and keep your workflow humming.

Invest in a System that will grow with you as your cobot welding capabilities advance.

The Modular Design of the Flextur Cobot Welding System will meet you where you are and adapt with you into the future. Whether you are getting your first cobot, or you have several. If you just got your first welding table, or you've been using fixtures. Flextur's Cobot Welding System will grow with you as you become more advanced in your cobot usage.

New Welding Curtain & Bracket

Welding Curtain & Bracket
22"H x 40"W
Designed for Quick-Change Table, complete with mounting bracket.

MSRP **Call For Price** 71500164

Cobot Welding Pedestal
Designed to mount directly to any welding table, with or wthout a skirt.
MSRP **$795** 71500111
• Save valuable table space
• Safely isolate your cobot
• Universal mounting
• Affordable alternative

Mounting Plates
Fanuc
MSRP **$195** 71500113
Universal Robot
MSRP **$195** 71500114

ABB
MSRP **$195** 71500115

Cobot Power Supply Cart
Designed to house the cobot CPU, welding power supply, a vertical or horizontal wire feeder and gas bottle.
MSRP **$895** 71500116
• Supports any power supply
• Mobile
• Accepts vertical or horizontal feeder
• Safe gas bottle storage

1-Sided Cobot Welding Table
72" x 36" Cobot Welding Table with Docking Station
MSRP **$12,550**

1-Sided Quick-Change Table
36" x 36" Quick-Change Table with Docking Station
MSRP **$16,150**

2-Sided Welding & Quick-Change Tables
72" x 36" Cobot Welding Table
72" x 36" Quick-Change Table with Docking Station
MSRP **$24,000**

USA MADE
Since 1978.

Rent any of our Cobot Welding Systems for a low monthly payment.

For Example: Rent a 3-Sided Quick-Change System (MSRP $34,850) for just $6,200 per month. Rentals can include additional Flextur products to support your Cobot Welding Cell investment.
Pricing is for Table Configuration and Wire Feeder Mount. Price Does Not Include Cobot or Power Supply. *

Quick-Change Tables come with one blank Fixture Plate. *Prices are subject to change.
Training Centers

## Training Center & Tech School Solutions.

Flextur offers completely mobile, extremely agile and efficient solutions for training facilities, tech schools, vocational classrooms, and R&D Departments. Flextur's unique ability to organize and standardize not only sets it apart in the industrial space. It makes Flextur the ideal solution for training applications. Keep all the necessary tools and materials close by with onboard Tool Board panels and Flextur Mobile Toolboards. And at the end of the day, everything is mobile if you need to repurpose the room, or simply clean up. Educational Discounts available.

Let Flextur help you with your next Training Facility or Classroom floor plan.

Fixtures

Affordable Fixture Solutions

Interested in having Flextur create fixtures for your Cobot Welding System?

Flextur can assist anyone using a Flextur Cobot, or Robot Welding System by designing and/or building fixtures for their specific application. we have decades of experience in Contract manufacturing, utilizing automation and fixtures. Our teams expertise in SolidWorks and offline programmming software from CENIT, we are able to efficiently and affordably create work cells and fixtures. Contact Flextur for more details about how we solve complex problems with simple solutions that work.

Pricing levels based on complexity and design time.
Projects include design, fixture proofing, and Fixture Plate.
Programming and program proofing are also available.

Fixture Storage Solutions

Fixture Storage Racks

Organize and protect your investment in fixtures while continuing to reduce setup times. Designed to store a large volume of fixtures near your Cobot and Flextur Quick-Change table. Access the fixtures you need with a central overhead lift and change over your Flextur Quick-Change table quickly and safely.

MSRP **$195** 71500113

• Store fixtures vertically in overhead tracks
• Adjusts horizontally to maximize storage space
• Store 5, 400lbs. 36"x 72" Fixture Plates with 14" h fixtures
• Store 10, 200lbs. 36"x 36" Fixture Plates with 14" h fixtures
• Able to be stacked 2 high when bottom rack is anchored
• Requires overhead lifting device for fixture plates
• Built in fork pockets
• 56"h x 98.5"w x 72"d

Fixture Storage Pallets

An economical solution for companies just starting out with Flextur Quick-Change Tables, or that don't require a large number of fixtures.
USA MADE

Since 1978.

Tool Board & Material Handling Solutions

Wall Mount & Mobile Tool Board

Flextur's patented design is the industries' strongest most versatile Tool Board System, capable of supporting 50lbs. on a single hook. Wall mount or mobile, Flextur is the ultimate tool control and storage system for work cells. Ideal for increasing productivity and implementing Lean and 5S Workflows. Flextur also has an extensive line of accessories that will help to overcome inefficiencies and increase productivity.
14 > 20

.0375" 20 Gauge

.0781" 14 Gauge

Flextur is nearly twice as heavy as the industry standard and easily supports 50lbs. on a single industrial hook, with select accessories that hold considerably more.

Gridlok
INNOVATION

A systematic approach to workspace efficiency is built into all Flextur products. One component of Gridlok Innovation is Flextur's patented hook and slot design used to create the industry's strongest metal tool board.working environment.

Wall Mount

Wall Mount System

New 54" Mobile Workstations Single Part Number Combinations

5S Event Cart
Complete Work Station
MSRP **$695** 71500145

Equipped for 5S identification and crashes. Store tags, tape, scraper - everything you need on a single mobile cart.

- 54" Mobile Tool Board Cart
- 10) 6" Standard Hooks
- 2) 3"x 5" Bins
- 2) 4"x 8" Bins
- 2) 7"x 10" Bins
- 1) 20"x 10" Bin
- 1) 20" x 16" Shelf
- 1) Screw Driver Rack
- 1) Pen Holder

5S Event Supplies Not Included

PPE Supply Cart
Complete Work Station
MSRP **$675** 71500140

Equipped with multiple sizes of bins and specifically designed trays for the mobile organization and storage of PPE and first aid items.

- 54" Mobile Tool Board Cart
- 1) Safety Glass Holder
- 3) 10"x 12" Bins
- 3) Ear Plug Box Trays
- 1) Lens Cleaner Bracket
- 1) First Aid Kit Tray

PPE Supplies Not Included

General Tool Cart
Complete Work Station
MSRP **$595** 71500126

Equipped with multiple sizes of hooks and bins to serve most mobile tool organization and storage needs. Ideal for maintenance departments and general use.

- 54" Mobile Tool Board Cart
- 2) 3"x 5" Bins
- 2) 4"x 8" Bins
- 10) 3" Standard Hooks
- 10) 4" Cradle Hooks
- 1) Screw Driver Rack
- 2) 2.75" Can Holders

Storage Bin Cart
Complete Work Station
MSRP **$695** 71500125

Equipped with multiple sizes of bins for the mobile organization and storage you need.

- 54" Mobile Tool Board Cart
- 4) 3"x 5" Bins
- 4) 4"x 8" Bins
- 4) 7"x 10" Bins
- 4) 10"x 12" Bins

New
Mobile, Stackable & Forkable Material Handling Bins

Rugged steel bins for safely and securely transporting materials from departments within a plant, between plants, or as returnables from outside vendors. With a push for reusable pallet and material handling options, these bins will stand the test of time.

- Safely Transport Materials
- Rugged Design
- Optional Flip Down Door
- Stackable 2 High Fully Loaded

Material Handling Bins
38"H x 42"W 1,000lbs Capacity
MSRP **$649** 71500132
With Door MSRP **$899** 71500133

42"H x 42"W 3,000lbs Capacity
MSRP **$789** 71500129
With Door MSRP **$999** 71500130

42"H x 42"W Bin Cart Dolly 6,000lbs Capacity
MSRP **Call For Price**

Flextur Also Manufactures Custom Material Handling

Custom returnable steel shipping racks and bins offer durable, reusable solutions for securely transporting and storing products, significantly reducing waste and costs.

What Our Customers Are Saying...

"The Yaskawa team chose to work with the Flextur team, as they are very agile and responsive, with great engineering recommendations for welding applications with the Yaskawa Motoman Robotics. Both the Yaskawa and Flextur teams have worked well together."
Josh Leath, Yaskawa American, Inc., Motoman Robotics Division,
Senior Product Manager, Welding

"We knew Flextur as a weld table manufacturer, and we saw potential to enhance our products with some of their products for workflow and LEAN manufacturing. They are on their game, and have been able to deliver what they said when they said."
Todd Edge, Product Manager - BotX

"We have been able to automate quite a variety of products in a cost effective manner through the quick change system on the tables. Fixtures can easily be moved from station to station with a high degree of confidence that locations are repeatable."
Benjamin Vieth, Manufacturing Engineer - Modine

"We've probably made over a million dollars worth of products on this table, and have only scratched the surface, literally. Don't think about it. Just get one."
Chris Foster, Owner - Foster Welding

"Excellent Versatility, with the 2" grid pattern they are able to accurately meet every dimensional requirements of our weldments. We've been able to hold tolerances not only on flat work but vertical weldments as well by utilizing fixture blocks. We're Very Happy... Very Happy with our Flextur Tables."
John Jesse, Quality Control Manager - Southwest Welding

"Mobility is Key. We are tight on space and being able to roll our tools in and out based on what we are doing is a game changer, even cleaning up is easier."
Conrad Schrock, Rockwood
